

CHALLENGE FFX COUPLING

NOW:
THE ONLY MANUFACTURER TO
PRODUCE THE WHOLE RANGE IN
STEEL

Benefits of Challenge FFX - All Steel Construction

1. Steel flanges are inherently safer being ductile and not being prone to shattering if dropped or hit
2. Steel flange threads are more stable and less likely to fail
3. Easier customer machining for bored to size flanges
4. Steel flanges and clamping rings give the optimum grip for the tyre clamping area
5. Steel is easier to treat for corrosion resistance when used in unprotected outdoor applications

Benefits of Challenge FFX Couplings

1. Accommodate simultaneous maximum misalignment in all planes
2. Simple visual inspection
3. Quick installation
4. Allows driven shaft removal without disturbing the driver
